RE: Stephen Wood and Dennis Lawrence  
York Oil Company  
Moirs, NY

Dear Mr. Mugdan:

Your letter of August 24, 1982 has been referred to me. It is my understanding that all remedial work to the site in question has been concluded. Moreover, as our earlier correspondence would indicate the remedial work undertaken is the responsibilities of parties and/or entities other than my clients, Stephen Wood and Dennis Lawrence.

Kindly direct your further inquiries to the undersigned.

Very truly yours,

CAREY, LAROCQUE, PIASECKI & CLARK
